Equality 360™

Built by workplace culture experts to create high-performing teams.

Objective

An Equality 360 membership builds your capacity, and enables and empowers your organization to effectively accelerate and sustain belonging.

The Impact of Microlearning

- ✓ Enhanced Retention
- ✓ Customized Learning Paths
- ✓ Real-Time Application

Equality 360 is online and is accessible 24/7, self-paced. The platform meets the highest accessibility standards and is compatible with desktop, mobile and tablet.

Features

Microlearning

Access a library of high-impact DEI, HR & organizational culture and wellbeing microlearnings on the Equality 360 platform - organized in a customized learning path to meet your needs.

Special Courses

E-courses & information sheets are shared on special commemorative dates throughout the year. Examples include: Black History Month, Pride Season, Truth & Reconciliation, & more.

Learning Library

A library of learning resources on a variety of topics including toolkits and policy templates! Download and use in your workplace.

Monthly Webinars

Live monthly virtual webinars. Learn from DEI and HR industry experts on timely topics. Access all previous webinar recordings on the Equality 360 platform.

GBA Plus Tools and Templates

In the learning library, search by GBA Plus and you'll find a plethora of GBA Plus tools, resources and templates to use.

Coaching On-Demand

Access DEI and HR expert advisory support from Canadian Equality Consulting strategists anytime you need.
